DU‘A FOR PALESTINE

O Allah! Guide the political leaders of Muslim countries who have unilaterally signed treaties and accords with the Zionists to rescind them, as they have divided the Muslims, and so are the root cause of many problems. O Allah, guide these political leaders to come fully on the side of deen. Amin!

O Allah, guide the Muslim countries to come to the help of Palestinians in their hour of need as they are indiscriminately bombed by the Zionists so that the Palestinians quickly emerge victorious, dismantle apartheid instituted by the racist Zionists, and free Palestine with Jerusalem as its undivided capital. Amin!

O Allah, guide the legislatures of western countries to stop supporting the Zionists, come to the right side of history and stand for justice. Amin!

O Allah, guide all the non-Muslims to accept Islam as their religion. Amin!

O Allah, fulfill our wish of a free Palestine so that the oppression of the Palestinians by the Zionists for the past 75 years comes to an end, and Palestinian refugees can return home, and all Palestinians can live in peace. Amin!
